Self-Management: The Certified Recruiting Specialist (CRS) is a self-study certification program. Though we want to see you succeed, your success depends on and directly corresponds to the amount of effort and time you put into learning the material. We have implemented the necessary tools to assist you in studying, such as a study guide with defined and in-depth topics and terms to know, as well as a 40 questions mock/practice exam to help you gauge your grasp of the information in the texts. We have also created videos tutorials that help supplement the reading.

Time-Management: Being that the CRS is a self-study program, it is your responsibility to make time to read the required texts and to ask questions as they arise.

Exam time: Your exam will be scheduled on the date you have chosen. If you have not yet scheduled your exam date, please email the BusinessTraining.com team and indicate your exam date. You will have two hours to complete your examination through our online testing platform.

Required Texts: All of these books are available online and in most bookstores. Amazon.com carries all of the above texts.
